

Neighbors by Ring

Memorandum of Understanding

This agreement is entered into this 1st day of May, 2019, by and between Ring LLC ("Ring") and Chula Vista Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Chula Vista ("City") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to City residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

Hi Lt Martin,

Sure, completely understand. We can hold off until the 27th. I will check in with you on that date if I do not hear from you first.

Thank you,
Angela

Thank you for the follow up Angela,

While we are very excited about this new venture, we have some upcoming promotions and assignment rotations that we are waiting to hear about. They should be taking effect next week. I will be out of town on vacation as well. I would like to hold off until the announcement are made as I have a feeling that Sgt. Giaime will not be the one responsible for overseeing this project.

If it is OK with you, can we hold off until the week of the 27th to see where we stand?

Henry

Hello Lt Martin,

We're also very excited to bring your agency onto this platform as we believe it will make your jobs a little bit easier. I look forward to working with you to onboard Chula Vista PD to the Portal. For the immediate interim, I have two questions to follow up with you.

- 1) Please advise a time preference this week or next week for a 1 hour webinar that works with you and your stakeholders. During this webinar, I will go over the logistics on what to expect on the day of the in person onboarding (will occur in the next 30 days) and then give you a preview of the Portal via a computer screen.
- 2) Can you please advise the names and emails for the below stakeholders so I can include them on the webinar invitation?

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts
- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups programs that we offer

- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

In the meantime, please let me know if you have any questions or concerns.

Lieutenant Martin, Attached please find the fully executed MOU for your records.

At this time I want to explain the onboarding process and introduce Angela Kang who will manage the training and the ongoing support for CVPD going forward. Angela is one of our top account managers and will be an incredible resource for you and your colleagues as you ramp up your use of Portal.

The onboarding process is comprised of two parts:

1) Remote Webinar: The first is to gather stakeholders for a remote, webinar style training. These stakeholders (defined below) will be provided logins to access portal. Then, during the webinar Angela will walk each one through how he/she, in his/her capacity, will use portal. This will include use case and best practices.

2) In-Person Onboarding: Within 30 days of the initial remote webinar, Angela will schedule a formal in-person training class to be conducted onsite at your facility. The stakeholders who are trained in the remote webinar will determine the audience for the in-person onboarding. While we don't limit the number of people who can attend the formal onboarding, we've found that allowing the stakeholders to select an audience has proven effective in gathering the appropriate personnel.

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts
- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups programs that we offer
- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

Angela will be reaching out to you to set a date for the initial Remote Webinar. If you need to reach her in the meantime, her contact information follows:

Angela Kang, Sr. Partner Success Manager

Phone: 425-274-5987

Email: on copy

Thank you again for your support. I look forward to hearing success stories from Chula Vista as we work to reduce crime in the community.

Hello,

We have spoken before when the portal first came to our attention, I was on the conference call and video conference with Lt. Martin and Sgt. Giaime.

I am contacting you because I presented the portal to our investigators today as an "FYI we will have this soon" presentation. But now they are all asking for access to it for their current cases. Is there any way to get at least one account (mine) going to I can assist in the investigations that are currently time sensitive. For example, there was a reported sexual assault yesterday and the officer noticed that the neighbor has a ring doorbell. She wanted to know if I can at least message the owner today to obtain any video. Please let me know, we understand there is a training process for users, I am willing to go through a training and do a training on Ring's behalf, or to be the only one with access for a little while.

Please let me know!

Thank you.

Lieutenant Martin, Attached please find the fully executed MOU for your records.

At this time I want to explain the onboarding process and introduce Angela Kang who will manage the training and the ongoing support for CVPD going forward. Angela is one of our top account managers and will be an incredible resource for you and your colleagues as you ramp up your use of Portal.

The onboarding process is comprised of two parts:

1) Remote Webinar: The first is to gather stakeholders for a remote, webinar style training. These stakeholders (defined below) will be provided logins to access portal. Then, during the webinar Angela will walk each one through how he/she, in his/her capacity, will use portal. This will include use case and best practices.

2) In-Person Onboarding: Within 30 days of the initial remote webinar, Angela will schedule a formal in-person training class to be conducted onsite at your facility. The stakeholders who are trained in the remote webinar will determine the audience for the in-person onboarding. While we don't limit the number of people who can attend the formal onboarding, we've found that allowing the stakeholders to select an audience has proven effective in gathering the appropriate personnel.

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts

- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups programs that we offer
- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

Angela will be reaching out to you to set a date for the initial Remote Webinar. If you need to reach her in the meantime, her contact information follows:

Angela Kang, Sr. Partner Success Manager

Phone: 425-274-5987

Email: on copy

Thank you again for your support. I look forward to hearing success stories from Chula Vista as we work to reduce crime in the community.

We're also very excited to bring your agency onto this platform as we believe it will make your jobs a little bit easier. I look forward to working with you to onboard Chula Vista PD to the Portal. For the immediate interim, I have two questions to follow up with you.

1) Please advise a time preference this week or next week for a 1 hour webinar that works with you and your stakeholders. During this webinar, I will go over the logistics on what to expect on the day of the in person onboarding (will occur in the next 30 days) and then give you a preview of the Portal via a computer screen.

2) Can you please advise the names and emails for the below stakeholders so I can include them on the webinar invitation?

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts
- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups programs that we offer
- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

In the meantime, please let me know if you have any questions or concerns.

Thank you,

Angela Kang

Lieutenant Martin, Attached please find the fully executed MOU for your records.

At this time I want to explain the onboarding process and introduce Angela Kang who will manage the training and the ongoing support for CVPD going forward. Angela is one of our top account managers

and will be an incredible resource for you and your colleagues as you ramp up your use of Portal.

The onboarding process is comprised of two parts:

1) Remote Webinar: The first is to gather stakeholders for a remote, webinar style training. These stakeholders (defined below) will be provided logins to access portal. Then, during the webinar Angela will walk each one through how he/she, in his/her capacity, will use portal. This will include use case and best practices.

2) In-Person Onboarding: Within 30 days of the initial remote webinar, Angela will schedule a formal in-person training class to be conducted onsite at your facility. The stakeholders who are trained in the remote webinar will determine the audience for the in-person onboarding. While we don't limit the number of people who can attend the formal onboarding, we've found that allowing the stakeholders to select an audience has proven effective in gathering the appropriate personnel.

Following are the stakeholders who are required to attend the webinar training (with the caveat that some roles may be filled by the same person):

- **Investigative Leads** - will be trained on the investigative tools, including the video request feature, within Portal.
- **PIOs** - will lead the partnership announcement efforts that include a public press release that describes your participation in Neighbors.
- **Social Media** - will be in charge of Portal social media efforts
- **Community Outreach/HOA** - will lead Portal HOA and crime & safety groups programs that we offer
- **Catch All role** - will have the ability to comment on posted videos (suspicious activity, criminal acts, safety concerns, etc). Usually these roles are held by detectives, Community Resource Officers, SROs, right up to the Chief of Police.

Angela will be reaching out to you to set a date for the initial Remote Webinar. If you need to reach her in the meantime, her contact information follows:

Angela Kang, Sr. Partner Success Manager

Phone: 425-274-5987

Email: on copy

Thank you again for your support. I look forward to hearing success stories from Chula Vista as we work to reduce crime in the community.

Sincerely, Ray

Neighbors by Ring
Memorandum of Understanding

This agreement is entered into this 1st day of May, 2019 by and between Ring LLC ("Ring") and Chula Vista Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Chula Vista ("City") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to City residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.
